THE JOURNEY TO 2030:

You will recall this initiative which was the subject of a letter from Bishop Richard prior to Lockdown 1. In it he encouraged us to look at all areas of parish life with the aim of improving our carbon footprint in the run up to 2030. We are looking for volunteers to work with the Parish Pastoral Council (PPC) on looking at how we do things now and making recommendations for change. More information can be found on the 'journey to 2030' website. If you would like to get involved please contact Toni (01580 201057) or the Parish Office.

SYNODAL PATH towards the 16th SYNOD of BISHOPS in 2023.

Again the subject of a recent letter from Bishop Richard. We are all invited to have an input to the discussions to take place at the Synod in 2023. The diocese will be providing material for a series of meetings during Advent which will enable us to feed our thoughts and suggestions into the process. If you would like to get involved in, and/or lead a group, please call or email the parish office giving some idea of your availability.
