### An opportunity to help shape the future of safeguarding within the Catholic Church

The Catholic Safeguarding Standards Agency has commissioned the services of the Social Care Institute for Excellence (Scie) to review the safeguarding policies and procedures of our Church, this work has now commenced. To ensure that the review team together with associated reference groups take into consideration as many views as possible, it is requested that as many individuals from our Church community complete the below survey.

This is an opportunity to help shape the future of safeguarding within the catholic church and make representations where it is evident or perceived that the current policies and procedures are outdated, there is a gap or no policy for a situation, are difficult to work to or interpret or for other reasons. Link to the survey: <https://forms.office.com/e/PavSuixHim>

## PRAYERS FOR THE SICK:

Please remember in your prayers all who are sick in our parish, especially Claire Martin, who is in hospital.

## ANNIVERSARIES:

Please remember all those whose anniversaries occur around this time.

'Anyone who has truly experienced God's saving love does not need much time or lengthy training to go out and proclaim that love. Every Christian is a missionary to the extent that he or she has encountered the love of God in Christ Jesus.'

Pope Francis, Joy of the Gospel, 120
