## Father Raymond's February Reflection

### **THE SUNDAY OF THE WORD OF GOD (3<sup>RD</sup> SUNDAY IN ORDINARY TIME)**

It invites us to deepen our relationship with the Sacred Scripture, recognising it as the living Word of God that guides and transforms our lives.

We recall that on September 30, 2019, the late Holy Father, Pope Francis, established the 3rd Sunday in Ordinary Time each year as the Sunday of the Word of God. With the Apostolic Letter, *Aperuit Illis*, the Holy Father emphasised that “the sacred Scriptures are the living Word of God, in which God himself speaks to us, reveals his love, and calls us to conversion and holiness.” In this letter, Pope Francis invites all Catholics worldwide to deepen their appreciation, love, and faithful witness to God and His Word, stressing that the Bible should not be “a book that gathers dust on a shelf” but a source of life, guidance, and an encounter with the Lord. The Church, through this observance, calls the faithful to celebrate, study, and disseminate the Word of God in both personal and communal life.

A profound bond links sacred Scripture and the faith of believers. Since faith comes from hearing, and what is heard is based on the word of Christ (cf. Rom 10:17), we are bound to listen attentively to the word of the Lord, both in the celebration of the liturgy and in our personal prayer and reflection.

Today, we are reminded of the teaching of Saint Ephrem: “Who can understand, Lord, all the richness of even one of your words? There is more that eludes us than what we can understand. We are like the thirsty drinking from a fountain. Your word has as many aspects as the perspectives of those who study it. The Lord has coloured his word with diverse beauties, so that those who study it can contemplate what stirs them. He has hidden in his word all treasures, so that each of us may find a richness in what he or she contemplates” (Commentary on the Diatessaron, 1, 18).

God's word constantly reminds us of the merciful love of the Father who calls his children to live in love. The life of Jesus is the full and perfect expression of this divine love, which holds nothing back but offers itself to all without reserve. In the parable of Lazarus, we find a valuable teaching. When both Lazarus and the rich man die, the latter, seeing the poor man Lazarus in Abraham's bosom, asks that Lazarus be sent to his brothers to warn them to love their neighbor, lest they also experience his torment. Abraham's answer is biting: “They have Moses and the prophets; let them hear them” (Lk 16:29). To listen to sacred Scripture and then to practice mercy: this is the great challenge before us in life. God's word has the power to open our eyes and to enable us to renounce a stifling and barren individualism and instead to embark on a new path of sharing and solidarity.

May our encounter with God's Word lead us to deeper communion with Him and to a faithful witness of His love in our families, parishes, and society.
